Important Information About Your <<Natural Gas or Electricity>> Service From Direct Energy Business and NRG

Dear Valued Customer,

Thank you for your continued business. As we've communicated previously, Direct Energy Business became part of NRG Energy, Inc. in January 2021. Since then, the companies have been working hard to bring together our people, platforms and technology to provide a best-in-class experience for valued business customers like you under one single brand—NRG. As such, you will notice a shift in branding from <<Direct Energy Business or Direct Energy Business Marketing>> to NRG in the coming weeks.

What does this mean to my business?

There are a few changes you will notice related to branding, but the most important parts of our relationship will remain unchanged, including:

- your energy supply agreement
- your product
- account number(s)
- invoice style
- remittance procedures

The changes you can expect include:

- your invoice will soon be branded NRG (if you're billed by the utility on our behalf, you will see <<"NRG Business" or "NRG Business Marketing" or "NRG">> referenced, instead of <<"Direct Energy Business" or "Direct Energy Business Marketing">>)
- your online account management tool, MyAccount, will include the NRG logo
- your experienced U.S.-based customer support team will now be referenced as "NRG Client Services" and will have a new toll-free number/email

Do I need to do anything?

You do not need to take action on any items at this point—we just wanted to make sure you were aware that these changes were coming so you could be prepared for what to expect.

If you have any questions about these changes, please do not hesitate to call us. Thank you again for your continued business.

Warmest Regards,

NRG Client Services
