PARTIES OF RECORD

Application of PPL Electric Utilities for approval of the alteration of the crossing where SR 3009 (Paxton Street) crosses, at grade, a single track of Norfolk Southern Railway Company (DOT 591 910 B) by the replacement of an existing utility pole structure, located in the City of Harrisburg, Dauphin County

To Whom It May Concern:

The above-captioned application was filed with the Commission requesting approval to alter the public crossing within the right-of-way of the subject roadway and railroad.

It is requested that each party in interest review the application and notify the Commission of any objection to the application by December 12, 2022. If any objection to the application is not filed with the Commission by the above stated date, the Commission will approve the application permitting PPL electric Utilities to install its facilities through the public crossing listed in this proceeding in accordance with Section 2702, Title 66 of the Pennsylvania Public Utility Code.

All parties are being served via email. Please e-file any written objections and formal correspondence via <https://efiling.puc.pa.gov> and e-mail a copy to the below address.
