RE: Default Service Supply Rates
Effective December 1, 2022
Docket No. M-2022-3035767

Dear Mr. Zimmerman:

The Bureau of Audits has reviewed Duquesne Light Company's proposed Supplement No. 52 to Tariff Electric-Pa. P.U.C. No. 25 and the supporting rate computations submitted on September 30, 2022 to become effective December 1, 2022.

Based upon staff review, it appears that the proposed Default Service Supply (DSS) rates for Residential & Lighting and Small Commercial & Industrial classes for the six-month period of December 1, 2022 through May 31, 2023; and for the Medium Commercial & Industrial classes for the three-month period of December 1, 2022 through February 28, 2023 are consistent with the tariff, and, accordingly are permitted to become effective as filed.

Based upon staff review, it appears that the proposed Electric Vehicle Time-Of-Use (EV-TOU) supply rates for the Residential and Small Commercial & Industrial classes for the six-month period of December 1, 2022 through May 31, 2023; and for the Medium Commercial & Industrial classes for the three-month period of December 1, 2022 through February 28, 2023 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The DSS is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code 66 Pa. C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2022-3035767.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first name 'Rosemary' being more prominent than the last name 'Chiavetta'.
