Re: PECO Energy Company – Gas Division Purchased Gas Cost No. 39 Compliance
Filing Including Quarterly Adjustment

Dear Mr. Webster:

By Order entered October 27, 2022 the Commission authorized PECO Energy Company – Gas Division (the Company) to file tariff supplements implementing rates consistent with the proposed rates contained in the Joint Petition for Complete Settlement filed in the above docketed rate investigation, as modified to reflect updates and tariff modifications traditionally performed as part of PECO’s December 1st PGC compliance filings, to become effective on and after December 1, 2022. On November 28, 2022, the Company filed Supplement No. 16 to Tariff Gas - Pa. P.U.C. No. 4 and Supplement No. 9 to Tariff Gas - Pa. P.U.C. No. 2S to become effective December 1, 2022, in compliance with the Order.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, the supplements are effective by operation of law as of the effective date contained on each page. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

Sincerely,

Rosemary Chiavetta
