Re: Agreement of Sale between PECO Energy Company and Easttown Township,  
Chester County, Pennsylvania.

Dear Ms. Choi:

On September 15, 2022, PECO Energy Company (PECO) filed an Agreement of Sale (Agreement) for transfer of facilities to Easttown Township (Easttown). The Agreement was filed pursuant to 66 Pa. C.S. §1102(a). PECO is selling to Easttown certain assets located within this township. The facilities include 276 street light luminaires, 272 street light brackets, 3 poles, and the existing conductors extending from the luminaires to PECO's secondary wires in the case of aerial fed luminaires for a total purchase price of \$558.47. Easttown will receive electric service under PECO's Street Lighting Customer Owned Facilities rate (SL-E).

Upon review, the Agreement appears to be reasonable and consistent with the public interest and the Agreement is hereby approved. However, approval of the agreement does not preclude the Commission from investigating, during any formal proceeding, the reasonableness of this Agreement of Sale.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code §5.44, file a petition with the Commission within (20) days of the date of this letter. Please direct any questions to Jordan Van Order, Bureau of Technical Utility Services at (717) 787-8763.

Sincerely,

  
Rosemary Chavetta  
Secretary
