Re: Youngsville Television Corporation Voice Service Agreement and Marketing Materials
Docket No. P-2021-3023604

Dear Secretary Chiavetta,

On behalf of Youngsville Television Corporation d/b/a Blue Fiber (“YTV”), I am submitting its proposed final Residential Phone Terms and Conditions and mock-ups of its proposed final marketing and promotional materials for its voice service, broadband internet access service, and Lifeline Service to the Bureau of Consumer Services at Pennsylvania Public Utility Commission (“PUC” or “Commission”).

During the pendency of ETC designation proceeding, YTV received and responded to several data requests from PUC staff, submitting draft versions of its voice service agreement and marketing materials. YTV submitted a revised Voice Service Agreement for plain language and compliance review in response to the Third Data Request (filed on May 14, 2021). The undersigned did not realize that these materials should have been formally re-submitted after the Commission’s Order granting ETC designation was issued; it was assumed that YTV had already met the requirement of the Order to submit such materials through the prior submissions.

If you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

/s/ Carol E. Matthey

Voice Service Agreement

Voice Telephone Services

ALL TELEPHONE SERVICES

The terms and conditions of this Service Agreement (“Terms” or “Agreement”) constitute the agreement (“Agreement”) between Youngsville Television Corporation, dba Blue Fiber Corp (“Blue Fiber”, “Company”, “We”, “Us”) and the User (“you”, “User” or “Customer”) of the Company’s residential and business voice communications services, and any related products or services (“Service”). This Agreement governs both the Service and any connected Device (“Device” or “Equipment”), used in conjunction with the Service. Additional Terms and Conditions located on the Blue Fiber website at www.youngsvilletv.com may also apply.

BY USING THE SERVICE, YOU REPRESENT THAT YOU ARE OF LEGAL AGE TO ENTER INTO THIS AGREEMENT AND THAT YOU HAVE READ AND UNDERSTAND FULLY THE TERMS AND CONDITIONS OF THIS AGREEMENT. PLEASE READ THIS AGREEMENT CAREFULLY BECAUSE IT INCLUDES MANY IMPORTANT TERMS, INCLUDING: WARNINGS THAT YOU MAY BE UNABLE TO USE THE VOIP SERVICE FOR 911 OR OTHER EMERGENCY CALLS UNDER CERTAIN CIRCUMSTANCES; LIMITS AND DISCLAIMERS ON COMPANY’S LIABILITY; AND THE REQUIREMENT THAT YOU COMMIT TO A MINIMUM TERM OF SERVICE.

SERVICE

The Blue Fiber Service is delivered using Voice-over-Internet Protocol (VoIP) technology. Service is offered on a monthly basis for a term that corresponds with the date your Blue Fiber Telephone service was activated and ends on the day before the same date in the following month or corresponds with the calendar month if the Service fees were prorated to the start of a calendar month. Subsequent terms of this Agreement automatically renew unless you give Blue Fiber oral or written notice of non-renewal at least ten (10) days before the end of the monthly term in which the notice is given. You are purchasing the Service for full monthly terms, meaning that if you attempt to terminate Service prior to the end of a monthly term, you will be responsible for the full month’s charges to the end of the then-current term, including, without limitation, unbilled charges, plus a termination fee, if applicable, all of which will immediately become due and payable. Expiration of the term or termination of Service will not excuse you from paying all accrued and unpaid charges due under this Agreement.

If you subscribe to the Company’s Residential Services, which is defined as Service intended solely for the subscriber’s residence, or home, and not for commercial purposes (“Residential Services”), the Service and the Device (if provided) are provided to you solely for such residential use. You shall not resell or transfer the Service or the Device to another party. You are prohibited from using the Service or

the Device for auto-dialing, continuous or extensive call forwarding, telemarketing (including, without limitation, charitable or political solicitation or polling), fax or voicemail broadcasting or fax or voicemail blasting. We reserve the right to immediately terminate or modify your Service if we determine, in our sole and absolute discretion, that your use of the Service or the Device is, or at any time was, inconsistent with normal residential usage patterns. In addition, you will be required to pay the higher rates for Business Service for all periods in which your use of the Service or the Device was inconsistent with normal residential use.

If you subscribe to the Company's Business Services, which is defined as Service intended solely for the subscriber's use to support commercial, for-profit or not-for-profit, non-residential enterprises ("Business Services"), the Service and Device (if provided) are provided to you as a small business User. You shall not resell or transfer the Service or the Device to another party. You are prohibited from using the Service or the Device for auto-dialing, continuous or extensive call forwarding, telemarketing (including, without limitation, charitable or political solicitation or polling), fax or voicemail broadcasting or fax or voicemail blasting. We reserve the right to immediately terminate or modify your Service if we determine, in our sole and absolute discretion, that you have at any time used the Service or the Device for any of the aforementioned or similar activities.

All users (both Residential and Business) should be read the provided Battery Backup disclosure. We have no control over your electrical power, and you may experience occasional outages. For this reason, it is strongly recommended that you maintain a battery backup for the fiber Optical Network Unit and telephone. It is recommended that you provide a forwarding number so that you can receive calls in the event of an outage.

PAYMENT AND CHARGES

Payment for service is due no later than the tenth (10th) day of the month. Blue Fiber's preferred payment method is automatic bank transfer or credit card payment. We will charge Customers monthly using the customer's preferred payment method. When you subscribe to our Service, you authorize us to collect from your payment method, including, if applicable, check return fees, recovery fees and any other outstanding charges. This authorization will remain valid until 30 calendar days after you terminate our authority to charge your payment method.

Any partial payments for current bills that are insufficient to pay the total amount due for the current bill, when there is no past due balance, will first be applied to your charges for basic voice service.

For bundled service packages, failure to pay the single-rate bundled service package price will result in the Customer's account being converted to a basic voice service account subject to future suspension and termination if the Customer fails to make timely payments.

You agree to pay all charges due and payable for the Services without counter-claim, set-off or deduction, other than amounts reasonably disputed. Failure to pay in full may result in immediate suspension of services, and Blue Fiber shall have no liability for such suspension under any circumstances. During the period of suspension, Services will be unavailable until the account balance is paid in full.

If you reasonably dispute an invoice, you must pay the undisputed amounts and call Blue Fiber at 1.814.563.3336 or provide written notice of the disputed amounts. Failure to dispute a charge within a 30-day period shall constitute an irrevocable waiver of your right to dispute the charge, unless otherwise provided by law. The parties shall attempt to resolve the dispute in good faith for a period of thirty (30) days from the notice. If any charges remain in dispute at the end of the 30-day period, you will pay the full amount due within ten (10) days, otherwise Blue Fiber may exercise any available remedies for breach.

If you do not deliver full payment for all billed charges for voice service by the due date (the tenth day of the month), Blue Fiber will assess a 1.25% late payment fee on the overdue amount and issue a notice that service will be suspended for non-payment if full payment is not received within ten (10) calendar days. If full payment is not received within ten (10) calendar days of the suspension, Blue Fiber will terminate use of the Service. However, the failure of Blue Fiber to terminate the Service for non-payment of any charges shall not act as a waiver or estoppel to terminate Service of such account for non-payment of current or future charges. All disconnected accounts are subject to a forty-dollar (\$40.00) reconnection fee, after payment in full of the unpaid balance.

All prepaid fees and other payments by Subscriber are non-refundable and non-creditable. There are no pro-rated refunds for unused time. In the event that an account is terminated for any reason with an outstanding balance, Blue Fiber will electronically charge any credit card on file for the outstanding balance. Any account which goes into collection status will be transferred to a collection agency and incur a twenty-five-dollar (\$25.00) processing fee and all other applicable fees and charges. Customers must pay a twenty-five-dollar (\$25.00) service charge on disputed credit cards and credit card chargebacks.

Customer is responsible for all charges attributable to its account with respect to the Service. Customer agrees to notify Blue Fiber immediately, in writing or by calling the Blue Fiber support line at 1.814-563-3336, if you become aware at any time that Service is being stolen or fraudulently used. You are responsible for all usage charges attributable to your account, even if incurred as the result of fraudulent or unauthorized use by third parties, until you report the theft or fraudulent use of the Service. Blue Fiber, may, but is not obligated to, detect or report unauthorized use or fraudulent use of Service. You agree to save, defend, indemnify and hold Blue Fiber harmless from all claims, costs, liabilities and damages arising out of such fraudulent or unauthorized use.

International calling is disabled by default. Customers may request it be enabled for a given country at any time by contacting Blue Fiber. All international calls are billed at their respective international rates which are updated from time to time. Any and all call charges are rounded to the nearest whole penny. International calls will be charged at the start of the next month. Failure to pay will result in immediate suspension of Service.

LIMITATIONS OF SERVICE

Customer acknowledges, and agrees, to the following limitations of service:

A) Phone numbers. The phone numbers you obtain from Us for Residential Service will not be listed in any telephone directories. Phone numbers transferred from your local phone company may, however, be listed. As a result, someone with your phone number may not be able to utilize a reverse directory to lookup your address.

C) Compatibility with other devices and systems. The Service may not be compatible with non-voice devices. All non-voice communications equipment, including but not limited to, home security systems or alarm systems that are set up to make automatic phone calls, modems, data modems, any device that relies upon a modem, or other hearing-impaired devices, and medical monitoring devices (“Non-Voice Systems”), are not considered compatible with the Service and may be interrupted or permanently disabled by installation or operation of the Service. You should maintain a traditional analog telephone connection in order to use any alarm monitoring functions for any security system installed in your home or business that relies on a traditional circuit switched analog phone line. You are solely responsible for the operation and use of such Non-Voice Systems with the Service, including taking any necessary steps, as permitted under your agreements with the Company, to ensure compatibility between such Non-Voice Systems and the Service.

D) Other providers. You authorize the Company to act on your behalf, as your agent, in moving your telephone number and related local and long-distance services from your current provider to the Company or any of its wholesale service providers. You acknowledge that the Company may change wholesale providers from time to time and may move your phone number from one wholesale carrier to another at any time. You acknowledge that the Company will become the customer of record for all phone numbers that we move or “port” to the Service.

REVISIONS, AMENDMENTS, OR MODIFICATIONS TO THESE TERMS

The Company may change this Service Agreement or the Service from time to time by posting a revised version of this Service Agreement or announcing Service changes on the Company’s website currently located at: www.youngsvilletv.com. Such changes may include, without limitation, increasing the charges for the Service, including any additional features that may be offered in conjunction with the service. Changes will become effective once posted, and your continued use of the Service will constitute your acceptance of any such changes. However, if you do not wish to continue Service after a change or modification in features or functionality that materially effects the Service to you, you may terminate this Service Agreement by providing written or oral notice to the Company within twenty (20) days of the effective date of the modification, and you will not be charged any Termination Fee (as defined below).

OWNERSHIP

The Customer acknowledges and accepts that it does not own or have any property rights in or any other rights to any telephone numbers assigned to them, whether or not the telephone numbers are published in any directory. Blue Fiber may change a telephone number designated for the Customer if Blue Fiber has (a) reasonable grounds for changing it and gives the Customer reasonable advance notice stating the reason for and the anticipated date of the change, or (b) in cases of emergency, given the

Customer verbal notice, followed by a written explanation as soon as is reasonably possible. Blue Fiber is not liable for any costs, damages or other amounts resulting from changes to telephone numbers.

TERMINATION OF SERVICE – RESIDENTIAL AND BUSINESS

To cancel or terminate the Company's Residential or Business Service, you must contact our offices at 1.814.563.3336 or provide written notice at least ten (10) days before the end of the monthly term in which the notice is given. If you DO NOT notify Us that you are porting (moving) your phone number to a new phone company, Blue Fiber will turn off your Phone service and terminate billing at the end of the current billing term. If you DO notify Us that you are porting (moving) your phone number to a new phone company, Blue Fiber will be required to leave your Phone Service active until you or your new phone company notify Us that the port-away has completed. The phone service must remain active until the port-away has occurred, or your phone number may be lost. Once we are notified that the port-away has completed, Blue Fiber will turn off your Phone Service and terminate billing at the end of the current billing term. Please also see "PORT OUT POLICY" below.

For Residential Services, we reserve the right to suspend or discontinue the Service generally, or to terminate your Service, at any time in Our sole and absolute discretion, consistent with all applicable notice provisions and other regulatory requirements. If we discontinue the Service generally, or terminate your Service without a stated reason, you will only be responsible for charges accrued through the date of termination, including a pro-rated portion of the final month's charges. If your Service is terminated on account of your breach of any provision of this Agreement, you will be responsible for the full month's charges to the end of the current term, including, without limitation, unbilled charges, plus the termination fee, if applicable, all of which will immediately become due and payable.

If you fail to make payment sufficient to pay the service charges for voice service, Blue Fiber may suspend and then terminate your voice service for nonpayment. Blue Fiber will notify you of suspension and when at least ten (10) days have passed since suspension of service, Blue Fiber may terminate service if you fail to pay the balance due and the reconnection fee. A termination notice which conforms substantially to the suspension notice and which indicates how you may arrange to have service restored will be mailed to your billing address. If service has been suspended, Blue Fiber will reconnect service by the end of the first full working day after you have made full payment of outstanding charges plus the reconnection fee. However, when service has been terminated, you must reapply for service as a new subscriber.

For Business Services, we reserve the right to suspend or discontinue the Service generally, or to terminate or suspend your Service for failure to rectify a violation of the Service Agreement within seven (7) days after receiving notice thereof from the Company. If we discontinue the Service generally, or terminate your Service, you will only be responsible for charges accrued through the date of termination, including a pro-rated portion of the final month's charges. If your Service is terminated on account of your failure to correct any breach of any provision of this Agreement, you will be responsible for charges to the end of the current term, including, without limitation, unbilled charges, plus the termination fee, if applicable, all of which will immediately become due and payable. Service may be

suspended by the Company without prior notice if necessary, to comply with applicable laws or to preserve the integrity of service to other Customers. If service is suspended without prior notice, the Company will use reasonable efforts to notify Customer of the suspensions and the reason for suspension within one (1) business hour of suspension.

The Company reserves the right to implement reasonable network management practices to ensure service quality levels are maintained.

You agree not to share (or re-sell) the Service with anyone not residing at the Service address.

RELOCATION REQUIREMENT

The Service may be used only at the Registered Location you provide to the Company. If you wish to relocate the Equipment, you must contact the Company for information on Service availability at the new location. If the Service is available at your new location, you must update and register the new location with the Company in order to update our records for the Service and help make 9-1-1 services and E9-1-1 features available to you. If Service, 9-1-1 calling or an E9-1-1 feature is not available at the new location, your Service will be terminated or suspended until you return the Equipment to a location with Service, 9-1-1 and E9-1-1 availability and provide Us updated information for the new location. Using or moving, or attempting to use or move, the Equipment or Service to a location without complying with this Section is a violation of this Service Agreement and you do so at your own risk.

B) You authorize the Company to notify your current telephone service provider of your decision to switch your local, local toll, toll free and long distance services to the Service, and you represent you are authorized to take such actions;
