Re: Electric Generation Supplier License of Direct Energy Business, LLC d/b/a NRG Business

Dear Ms. Gibbons:

On September 26, 2022, Direct Energy Business, LLC (Direct Energy Business) filed a request with the Commission to change the name on its license to provide electric generation services, as a supplier, to Direct Energy Business, LLC d/b/a NRG Business.

Currently, Direct Energy Business is licensed as Direct Energy Business, LLC as a supplier to residential, small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

Direct Energy Business has provided the proper Pennsylvania Department of State documentation and has provided proof of service to the interested parties as required by the Commission.

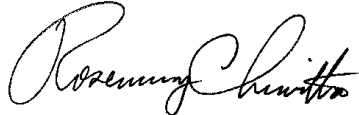

Therefore, the Commission approves, by this Secretarial Letter, the change of Direct Energy Business, LLC's name on its license for the provision of electric generation services as a supplier.

The Secretary's Bureau will issue a new license to Direct Energy Business, LLC d/b/a NRG Business the right to begin to offer, render, furnish, or supply electric generation services as a supplier to residential, small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

The Secretary's Bureau and the Bureau of Administration, Financial and Assessments will update the company's name in their computer systems and lists, as appropriate, to be Direct Energy Business, LLC d/b/a NRG Business.

If you have any questions in this matter, please contact Jeff McCracken of the Bureau of Technical Utility Services at jmccracken@pa.gov or 717-783-6163.

Sincerely,
