Dear PA PUC:

I hereby respectfully request an extension of 60 days to the filing of Form E and the tariff draft pursuant to your correspondence dated November 7, 2022 requiring such filing within 60 days (January 7, 2023).

I had to undergo emergency surgery on my knee in Hawaii and an extended hospital stay, which left me incapacitated. I've been back about 2 weeks and trying to work quickly to catchup. I need additional time to have the client-Big Joy Transportation Inc secure the motor vehicle and the required insurance.

Your consideration is greatly appreciated. Please advise of your consideration. I can be contacted via email (betty@monassociates.com) or phone (215)869-5786.

Sincerely,

Betty Mon
