In Re: A-2022-3035109 - Extension of time request for Big Joy Transportation Inc

To Whom It May Concern:

On December 7, 2022, your request on behalf of Big Joy Transportation Inc for an extension of time for the filing of the liability insurance and tariff was received by the Commission. Although no procedure exists to grant extensions for application compliance requirements, we may on occasion allow small extensions due to extenuating circumstances. In this instance, the emergency does not affect the motor carrier. The motor carrier is able to receive assistance elsewhere.

THEREFORE, for the reason explained above, your request for an extension of time to file the proof of insurance and tariff is denied.

Sincerely,

Kevin Morgan
Compliance Specialist
Bureau of Technical Utility Services
