RE: Fair View Energy Inc. – Contact Information
Docket No. A-2016-2558553; Utility Code 1119028

Dear Secretary Chiavetta:

This letter is filed on behalf of Fair View Energy Inc. (“Fair View”) to update the company’s contact information. Today, the Bureau of Technical Utility Services (“TUS”) sent a letter to me via electronic mail (“email”) regarding Fair View’s License Bond or Other Financial Security Renewal and/or Increase Notice. I have forwarded this email to the appropriate person at Fair View.

Going forward, official Commission email directed to Fair View should be served on Mike McCormick, President of Fair View, at mikemc@fairviewenergy.net. Please revise the Commission’s records to note this updated contact information.

If you need anything further, please let me know. Thank you for your attention to this matter.

Sincerely,

/s/ Karen O. Moury
