Re: Formal Complaint e-filing 2443859

To Secretary Rosemary Chiavatta:

I am requesting to withdraw by formal complaint with the Public Utility Commission regarding East Dunkard Water Authority. The board of the EDWA has decided to suspend the PUC charge on our bills until the ruling is finalized by Her Honor Marta Guhl. The EDWA Board is working on better organization of the utility in general and is working on solutions to provide us with clean water. Hopefully, in the New Year with better legal counsel and leadership they can continue on the current course of action in repairs and hopefully connecting with SWPA. I thank you for allowing my voice to be heard and taking these matters seriously.

I am hereby officially withdrawing my complaint. Thank you for your consideration and time.

Sincerely,

Clarissa Eggers
