Re: State Tax Adjustment PPL Electric Utilities Corporation.

Dear Ms. Klock:

On December 16, 2022, PPL Electric Utilities Corporation filed Supplement No. 350 to Tariff PPL Electric Utilities Corporation – Pa. P.U.C. No. 201. This tariff supplement reflects a computation of PPL Electric's State Tax Adjustment Surcharge (STAS) as well as the reconciliation of PPL Electric's 2022 STAS rates. These changes will be made in two parts. Part 1 will include Capital Stock Tax, Corporate Income Tax, Public Utility Realty Tax, and Gross Receipts Tax, which will be applied to the Distribution component of the bill. This part of the surcharge will be a negative 0.134%. Part 2 will include the Gross Receipts Tax, which will be applied to all other components of the bill. This part of the surcharge will be a positive 0.001%. Both Part 1 and Part 2 rates will become effective January 1, 2023. The Commission hereby accepts these tariff changes, and we are therefore allowing the tariff to go into effect by operation of law. However, this notification shall not preclude this Commission from investigating the financial affairs of PPL Electric Utilities Corporation and, in appropriate cases, ordering refunds or other remedies, which it deems proper.
