4. Describe your facilities, record maintenance plan and your communication network. Please include a description of your physical location, to including office machines that will be utilized, and the facility to house vehicles. As a carrier of household goods in use, applicant should include a description of storage facilities, if applicable. Please include an explanation of your plan to maintain records required by the PUC, as well as normal business records. In regard to your communication network, please explain how you will receive customer requests for transportation, how you will dispatch the vehicles to fulfill the request, and how you will maintain continuous communication with your drivers.

My office is my house, I do not have a fleet of drivers, and I will not be storing anything here; beyond my own supplies and equipment. I will use insured rental trucks, and get household cargo insurance; it appears most likely with progressive. The computer I am currently on and my printer are my office supplies, as well as my phone. Google Docs will be used to maintain records. As well as a few excel spreadsheets and my email. I am running my own truck, with a helper or two to move goods with.

5. Please state the number of drivers you intend to use or hire in your business and explain why that number of drivers is appropriate for the size of the territory you will be serving. In addition, please explain:
- Your hiring standards for drivers;
  - Your system for conducting criminal background checks;
  - Your driver training program;
  - Your system for conducting driver license checks;
  - Your policies regarding alcohol and drug use by your drivers.

I am not hiring drivers at the moment, but if I do:

- Diligence and Attention to Detail are good traits in Drivers
- I'll find a site to go through for background checks
- I will not hire inexperienced drivers anyhow, but if I do I'll have them start on smaller box trucks, maybe 12 footers, and give them tips from my experience on bridges, off tracking, low wires, managing distance, blindspots, etc..
- Make copies of driver's license and medical cards as necessary and certify the authenticity of said documents
- No Alcohol present in blood on the job, those showing signs of drunkenness will not be permitted to drive. No illegal drugs, and no legal drugs on the job that may impair driving ability and/or judgement.

6. Please state the number of vehicles you plan to use in your business and why that number is appropriate to provide reasonable and efficient service to the territory you will be serving. If you have already obtained vehicles for your business, please list them in the chart below.

<b>YEAR</b>	<b>MAKE</b>	<b>MODEL</b>	<b>SEATING CAPACITY*</b>	<b>VEHICLE ID #</b>	<b>MILEAGE</b>
	Rental Trucks				

7. Describe your vehicle safety program. Please include the following in your explanation:
- Your periodic vehicle maintenance plan
  - Your system for ensuring your vehicles will continuously comply with applicable Pennsylvania vehicle equipment standards (67 Pa. Code, Chapter 175).

- I'll do pre-trips and post-trips, to ensure the vehicles meet DOT standards. Repairs on the rented trucks are not mine to fix. My responsibility is to not drive damaged trucks though.
- Pre-trips and Post-trips, as well as communication with rental companies about anything I notice on their trucks.

8. Please explain what steps you have taken to determine if you can obtain insurance and pay the required insurance premiums.

Reached out to numerous agents from different companies. Progressive seems my most likely choice. General liability, Cargo, among about 8 other policy types seem plausible, although unattractive, through progressive. I have weighed the cost of the program against what could be made in the following year; it seems doable.

9. State whether the applicant has been convicted of a misdemeanor or felony. If applicant is partnership, limited liability partnership, corporation, or limited liability company this question applies to all members, officers, and/or shareholders. If "YES", explain.

\_\_\_\_\_ YES    NO **NO**

10. Financial Data. Complete the "Statement of Financial Position", which follows this page. Please feel free to also provide additional information explaining why you believe you have sufficient funds to ensure your transportation business can provide reliable service to the public in a safe manner.

Living at home. No Bills. Have saved money over the years in hopes of capital for my own business.

Have had sufficient experience in the industry to learn from others' mistakes, as well as my own.
