**RE: Duquesne Light Company
Distribution System Improvement Charge
Effective January 1, 2023
M-2022-3037066**

Dear Mr. Zimmerman:

The Bureau of Audits has reviewed Duquesne Light Company's proposed Supplement No. 54 to Tariff Electric – PA P.U.C. No. 25 and the supporting rate computations submitted on December 21, 2022 to become effective on January 1, 2023.

Based upon staff review, it appears that the proposed Distribution System Improvement Charge (DSIC) rate for the three-month period of January 1, 2023 through March 31, 2023, is consistent with the tariff, and accordingly, is permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit, as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2022-3037066.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is written in a cursive, flowing style.

Rosemary Chiavetta
Secretary
