## AFFIDAVIT OF RESPONSE FOR TEN DAY SHUT OFF NOTICE

I, agent for principal Darren-Miller and affiant, am a federally protected consumer, holder in due course, attorney in fact, for any and all derivatives thereof for the surname/given. I have been appointed and accepted being the executor both public and private for all matters proceeding, and I hereby claim that I will d/b/a DARREN MILLER JR., and autograph as the agent and administrator in fact. Below are the facts pertaining to this account.

1. PECO Energy Company (“PECO”) is owned by Exelon Generation Company, LLC, which is a for-profit company whose headquarters is located in the Kennett Square area of Pennsylvania.
2. The Account Number: 0411148368, (“Account”) was opened in July of 2019 with PECO using my personal identification and credit card information as defined in 15 U.S.C. § 1602 (l).
3. On April 18, 2022 I sent PECO a correspondence titled “CONDITIONAL ACCEPTANCE AND DEBT VALIDATION NOTICE”. In this notice I disputed the Account and asked for documentary evidence regarding the alleged debt. *See Exhibit A*

**EXHIBIT**

Complainant's Exh. 1 - 11-30-22

exhibitsticker.com

4. On April 25, 2022 I received correspondence from an attorney for PECO, Lynn R. Zack. *See Exhibit B* Her response was not sufficient, therefore I mailed her back correspondence, via certified mail which she received May 4, 2022. *See Exhibit C* The Second Notice was sent to PECO's Billing office as well. In the Second Notice I continued to dispute the alleged debt and asked for proof of claim by documentary evidence.
5. I never received a response from the attorney or PECO however I continued to receive several statements including the Ten Day Shut Off Notice ("Notice") in an attempt to collect an alleged debt on the Account. *See Exhibit D*
6. PECO is attempting to shut off my electricity before it has resolved this disputed Account.
7. The billing statements received by PECO on all past present and future billing are billing errors pursuant 12 C.F.R. §1026.13. To be clear, I am invoking my right to obtain documentary evidence, in accordance with 15 U.S.C. § 44 for the books of account as described in IRS Publication 583 ("Publication"). To prove PECO has authority to collect on the alleged debt, I want to see both journal and credits and debits of the account to verify the current account and taxes associated with this account.
8. Pursuant to 15 U.S.C. 1666d, whenever there is a credit balance in excess of \$1, on the journal and ledger entries described in the Publication, the balance should be credited. The remaining must be directed back to the consumer by check. The documentary evidence must be provided as this is formal instruction in accordance with § 1666(b)(2) to provide the documentary evidence which includes books of account in accordance with § 44 to resolve this billing error.

9. PECO must comply with the procedures as defined in 15 U.S.C § 1666d(e), which goes as follows: (1) Correct the billing error and credit the consumer's account with any disputed amount and related finance or other charges, as applicable; and (2) Mail or deliver a correction notice to the consumer. I hereby demand that all future coupons be sent to my place of abode, as listed on the Account, via check, from July 2019, current and future payments.
10. I am aware that once the billing error is resolved, the PECO has lawfully agreed to forfeit all rights to collect on all past, present and future amounts in dispute pursuant to Title 15 U.S.C § 1666(e).
11. I am invoking my right to withhold all past present and future disputed amounts pursuant to 12 C.F.R. 1026.13d(1).
12. PECO may not collect on any disputed amount, and I do not need to pay. The creditor cannot restrict, accelerate payment or close an account and or make or threaten any adverse reporting to any person about my credit standing without resolving the billing error. Such actions by PECO will forfeit its rights to collect the disputed amount as described in 15 U.S.C. § 1666(e) and be held liable under § 1693m, for actual damages caused to me and criminally liable pursuant to §1693n for failing to provide required documentary evidence as requested to clarify and resolve the billing error.
13. PECO is not exempt from any claims or defenses as described in 16 C.F.R. §433.2(a). The company is engaging in unfair and deceptive business practices as shown in Exhibit D herein, as no contract after November 1, 1977 is exempt from § 433.3.
14. I have reason to believe PECO, which is a for-profit corporation, regardless of its location, is participating in racketeering activity as defined in 18 U.S.C. § 1961. The

company intentionally, with forethought and malice have been leading me to believe the dividends they send monthly are invoices for services instead. This is embezzlement, theft by deception and extortion.

15. PECO is in violation of 18 U.S.C. § 1341 by intentionally participating in fraud through the US Mail as shown in Exhibit D.
16. If PECO does not rebut this affidavit with an affidavit, point for point, I will accept the silence as admittance of guilt.
17. I demand PECO cease and desist any communications and collection activity on the Account until the requisition documentary evidence is provided and reviewed.

You have 5 days to respond, upon receipt as this is an urgent matter. If this affidavit goes un rebutted, the requested documentary evidence is not provided or there is no response, it will serve as acquiescence. PECO will be in agreement to a default judgment for dishonor in the negotiable instrument, bank fraud, creation of false and deceptive forms, mishandling of goods, and compromising my relationship with other financial institutions. The company has also caused me extreme distress in response to exercising my rights. However, I, in good faith, expect PECO to handle these matters with great care and respect.

Has your company done any research on the damage your electricity routing methods have on humans?

RE: PECO Energy Account No. 04111-48368

Dear Lynn,

Thank you for correspondence regarding 3879 Manor St. I promised to pay PECO the alleged debt upon proof of claim (see enclosed letter). Pursuant to UCC 3-103 a "promise" means a written undertaking to pay money signed by the person undertaking to pay. Pursuant to UCC 3-104 an instrument is a "note" if it is a promise.

If PECO refuses this instrument this debt will be considered discharged, pursuant to UCC 3-603. " If tender of payment of an obligation to pay an instrument is made to a person entitled to enforce the instrument and the tender is refused, there is discharge, to the extent of the amount of the tender, of the obligation of an indorser."

Article VI of the U.S. Constitution, Supremacy Clause, declares federal law is the supreme law of the land regardless if state law is contrary. Therefore, regardless of what state law says, PECO is governed by federal law and shall oblige by it.

In the case you referred to in your letter, you reference a case involving James Coppegde and PECO. This case is not relevant as I am not refusing to pay. I am also not paying with a 1099A, 1099C or bill of exchange.

I find language used in your correspondence regarding the termination of my service to be offensive and obscene. This is also a violation of federal law, 15 USC 1692d.

Enclosed is my second Conditional Acceptance and Debt Validation Notice. If the required information is not sent to establish proof of claim, this alleged debt will be considered discharged and the actions listed must be taken.

Sincerely,

Darren Miller Jr.
