Re: The Borough of Ambler Supplement No. 42 to Tariff Water – PA. P.U.C. No. 5

Dear Mr. Bakare:

By Order entered November 10, 2022, the Commission authorized the Borough of Ambler – Water Department (the Company) to file a tariff supplement reflecting the rates set forth in its proposed compliance tariff attached to the Joint Petition for Settlement of Rate Investigation as Appendix “A.” On December 22, 2022, the Company filed Supplement No. 42 to Tariff Water – PA. P.U.C. No. 5 to become effective December 30, 2022, designed to produce an annual revenue increase of \$424,948.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 42 to Tariff Water – PA. P.U.C. No. 5 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

Sincerely,
