Re: Application of ScottMadden, Inc. to Renew Registration as a Utility Valuation Expert at  
Docket No. A-2016-2571357

Dear Mr. D'Ascendis:

On December 15, 2022, ScottMadden, Inc. (Applicant) filed an application to renew registration as a utility valuation expert (UVE) with the Pennsylvania Public Utility Commission (Commission). UVEs are retained by entities for the valuation of municipal water and wastewater systems under Section 1329 of the Public Utility Code, 66 Pa.C.S. § 1329, whereupon UVEs shall determine fair market value in compliance with the Uniform Standards of Professional Appraisal Practice, employing the cost, market and income approaches.

Upon review of the renewal application, it appears the Applicant continues to meet the Commission's minimum qualifications to maintain its UVE registration. Therefore, the Applicant shall remain registered as a UVE on the Commission's Registry of UVEs. **This registration is valid until December 31, 2023. UVEs must re-register by January 1 of each year thereafter to remain on the registry. In addition, the Applicant is advised that if any information in the application changes, it must provide a written notice of said change to the Commission within 45 days of the change.** This approval is not meant to constitute a license, certification or warranty of any kind by the Commission.

Questions concerning this letter may be directed to Paul Zander of the Bureau of Technical Utility Services, Water/Wastewater Division, at telephone number (717) 783-1372 or by email at [pzander@pa.gov](mailto:pzander@pa.gov).

Sincerely,

Rosemary Chiavetta
