Re: Pennsylvania-American Water Company – Wastewater Division; Compliance Filing;  
Supplement No. 43 to Tariff Wastewater-PA P.U.C. No. 16

Dear Ms. Triscari:

By Order entered December 8, 2022, the Commission authorized Pennsylvania-American Water Company – Wastewater Division (the Company) to file a tariff supplement containing rates, rules and regulations, consistent with the Joint Petition for Settlement filed in the above docketed rate investigation, designed to produce, on a total Company basis, an annual increase in revenues of \$138 million for service rendered on and after January 28, 2023. On January 26, 2023, the Company filed Supplement No. 43 to Tariff Wastewater-PA P.U.C. No. 16 to become effective January 28, 2023.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 43 to Tariff Wastewater-PA P.U.C. No. 16 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or [maboyle@pa.gov](mailto:maboyle@pa.gov).

Sincerely,

Rosemary Chiavetta
