Dear Secretary Chiavetta:

On behalf of our client Marathon Power, LLC d/b/a Marathon Energy (“Marathon”), enclosed please find an application for a name change to Energo Power & Gas LLC on Marathon’s electric generation supplier (EGS) and natural gas supplier (NGS) licenses. A check in the amount of \$700 for the PAPUC fee is enclosed.

This name change only impacts the company’s name and logo. There is no change in ownership, no merger, and no bankruptcy. The new company website is www.energo.com. The email addresses will change to @energo.com. There are no changes to any company addresses and phone numbers. The company’s tax identification number and banking remittance information will also remain the same.

On December 12, 2022, Marathon changed its name to Energo Power & Gas LLC in its home jurisdiction of New York (the state in which it is organized) as shown in the attached certificate of status from New York. On December 19, 2022, and January 10, 2023, Marathon electronically filed an amendment to Marathon’s foreign registration statement with the Pennsylvania Department of State as shown in the attached receipt. The PA Department of State approved this filing on January 11, 2023. On January 13, 2023, the PA Department of State also approved the following fictitious names (DBAs): Energo and Marathon Energy.

Marathon also sent the attached customer notice letter to all of its customers in Pennsylvania to inform them of the name change.

Marathon is in the process of updating its name on the company's active financial security (letter of credit from Shell Energy North America) currently on file with the PAPUC and will forward that to the Commission as soon as possible.

Please do not hesitate to contact me with any questions.

Very truly yours,

/s/ Jennifer McCave

EXCITING ANNOUNCEMENT: Marathon Energy is now **energo**

Dear Valued Customer,

We are excited to announce that Marathon Energy is now Energo!

This change only impacts our company name and logo. There is no change in ownership. It is part of our re-brand and in no way impacts or changes your account with us.

Since our founding in 1995, we have experienced tremendous growth. Our journey started with a vision to create a company that provided heating oil and mechanical services to customers in the New York City Metro Area – a company based on reliability, integrity, and service.

Today, our geographic reach has stretched beyond N.Y.C., serving 40,000+ customers throughout New York, New Jersey, Pennsylvania, and Maryland. Our service offerings have expanded providing a full suite of energy products including heating oil, diesel, gasoline, natural gas, electricity, propane, renewable energy, and other value-added services. Our team has grown to over 130 employees and consists of highly talented and experienced energy experts and professionals – some of the best in the business.

Over the years, our entrepreneurial spirit and unparalleled customer service have driven us to innovate and expand. In 2018, we extended our reach into Upstate New York, Eastern Pennsylvania, and New Jersey through a transaction with BlueRock Energy, as well as the purchase of Ambassador Fuel in the Bronx. Soon thereafter, in 2020, we expanded into Western New York and Western Pennsylvania with the acquisition of certain assets and the customer book of National Fuel Resources, Inc. Now, we want to embrace our evolution and transformation with a refreshed look and feel – to mark the next phase in our journey.

For us, “Energo” reflects our continuous forward movement – embracing innovation, striving for improvement, while evolving and pivoting on the go.

In the coming months, you’ll see some changes as we update our name and logo throughout our materials¹ but rest assured, our core beliefs haven’t changed. Our entrepreneurial spirit will continue to embrace innovation, and continuously improve going forward. Our unwavering commitment to our customers won’t change. We’re the same people and same company – with a fresh new name and a fresh new look. And we couldn’t have done it without you.

If you have any questions about our re-brand to Energo, please contact our toll-free customer service phone number, 1-888-378-9898. We wish you all health, happiness and a prosperous new year in 2023. As always, thank you for your support.

Sincerely,

Jerry Drenis
President & CEO

¹ Please note that depending on your service territory, our name change may be pending approval by the relevant state public utility commission and changes to Energo on your invoices will be phased in as approvals are obtained, as applicable.
