Re: Notice of Proposed Rulemaking: Use of Fully Projected Future Test Year, 52 Pa. Code
        Chapter 53.51 – 53.56a
        Docket No. L-2012-2317273
        Peoples Natural Gas Company LLC – Letter in Lieu of Reply Comments

Dear Secretary Chiavetta:

On November 15, 2022, Peoples Natural Gas Company LLC (and Peoples Gas Company LLC) filed Comments to the Pennsylvania Public Utility Commission's ("Commission") Notice of Proposed Rulemaking in the referenced matter. Effective January 1, 2023, Peoples Gas Company LLC merged with and into Peoples Natural Gas Company LLC and as such, this filing is being made by the surviving entity, Peoples Natural Gas Company LLC (hereinafter, "Peoples" or "the Company").

In its November 15, 2022 Comments, Peoples requested that the Commission provide ample notice for the effective date of any proposed regulations. Specifically, the Company recommends that the proposed regulations be effective nine months after or at least six months after the final regulations are published in the *Pennsylvania Bulletin*.

Peoples notes that the Energy Association of Pennsylvania ("EAP"), Aqua Pennsylvania, Inc. ("Aqua") and the National Association of Water Companies – Pennsylvania Chapter ("NAWC") filed Reply Comments in this matter. Peoples fully supports the Reply Comments filed by EAP, Aqua and NAWC. Peoples, EAP, Aqua and NAWC all recommend that the Commission provide utilities with ample notice (at least six months) prior to the effective date of the new regulations.

Please accept this letter for filing in the referenced matter. Please contact me at meagan.moore@peoples-gas.com or (412) 208-6527 if you have any questions or concerns.

Sincerely yours,

Meagan Moore
Counsel for Peoples Natural Gas Company LLC
