## TUS Data Request Set 1

Pennsylvania-American Water Company – Wastewater Division (PAWC-WD) Supplement No. 44 to Tariff Wastewater PA P.U.C. No. 16 at Docket No. R-2023-3037939

Note: Please restate the data request prior to providing a response. In addition, provide the name and title of the person(s) providing the response and/or information for each data request.

- R-1. The Joint Petition for Settlement of Docket Nos. R-2022-3031672 and R-2022-3031673 (Joint Petition), Appendix C, Page labelled “Upper Pottsgrove Wastewater Operations Application of Present and Settlement Rates to Residential Class Bill Analysis” (Upper Pottsgrove Proof of Revenue) does not identify any metered customer billing determinants, rates, or revenues at pre-settlement or settlement rates. Please explain this apparent discrepancy and provide a revised version of PAWC-WD’s Upper Pottsgrove Proof of Revenue that separately identifies billing determinants (i.e., number of equivalent dwelling units and, for metered customers, usage volumes), rates, and revenues for metered and unmetered Upper Pottsgrove customers at pre-settlement and settlement rates.
- R-2. Please provide a proof of revenue that separately identifies billing determinants (i.e., number of equivalent dwelling units and, for metered customers, usage volumes), rates, and revenues for metered and unmetered Upper Pottsgrove customers at settlement and proposed rates.
- R-3. Supplement No. 44 to Tariff Wastewater PA P.U.C. No. 16 (Supplement No. 44) used a proposed effective date of March 31, 2023. However, PAWC-WD’s response to 52 Pa. Code § 53.52(a)(10) indicated that Supplement No. 44 would apply “the current special metered rate calculation for customers in Upper Pottsgrove Township that has been in effect since [PAWC-WD]’s acquisition of the Upper Pottsgrove wastewater system since June 30, 2022.” Also, Supplement No. 44’s cover letter indicated that the proposed tariff change would have no impact on the rates charged to PAWC-WD’s customers. Please identify the rates that PAWC-WD charge metered customers in Upper Pottsgrove Township under PAWC-WD’s effective rates in Supplement No. 43 to Tariff Wastewater PA P.U.C. No. 16.
