Re: Citizens' Electric Company of Lewisburg, PA – Supplement No. 162 to Tariff
Electric – Pa. P.U.C. No. 14 (Compliance Filing)

Dear Mr. Bakare:

By Order entered December 8, 2022, the Commission authorized Citizens' Electric Company of Lewisburg, PA (the Company) to file a tariff supplement, incorporating the terms of the Joint Petition of Settlement filed in the above docketed rate investigation, and changes to its rates, rules and regulations as set forth in Attachments A and B of the Joint Petition, designed to implement an annual revenue requirement increase of \$930,000. On January 27, 2023, the Company filed Supplement No. 162 to Tariff Electric – Pa. P.U.C. No. 14 to become effective January 29, 2023.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 162 to Tariff Electric – Pa. P.U.C. No. 14 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or maboyle@pa.gov.

Sincerely,

Rosemary Chiavetta
