To Whom it May Concern,

Please consider this correspondence as a request to cancel NNE Resources LLC docket A-2020-3019470. NNE Resources acquired certain gathering line assets from Northeast Natural Energy LLC in 2019. Northeast Natural Energy LLC was registered as a pipeline operator under docket number A-2012-2293772, which has been cancelled. Subsequently NNE Resources sold those same assets to Murphy Production in March of 2020. I believe you have all of that information from previous correspondence, however, due to an oversight on my part I did not request cancellation of the docket associated with NNE Resources LLC. Please let me know if you need any further information and thank you for your assistance in this matter.

A handwritten signature in blue ink, appearing to read 'Brett Loflin', is written over the typed name.
