RE: PECO Energy Company – Electric
Generation Supply Adjustment
Effective March 1, 2023
M-2023-3037623

Dear Mr. Webster:

The Bureau of Audits has reviewed PECO Energy Company's proposed Supplement No. 22 to Tariff Electric – Pa. P.U.C. No. 7 and the supporting rate computations submitted on January 13, 2023 and revised on January 31, 2023, to become effective on March 1, 2023.

Based upon staff review, it appears that the proposed Generation Supply Adjustment (GSA) rates for the three-month period of March 1, 2023 through May 31, 2023 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The GSA is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2023-3037623.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rosemary Chiavetta', written in a cursive style.

Rosemary Chiavetta
Secretary
