Re: The York Water Company's Tariff Supplement No. 151 to Water – Pa. P.U.C. No. 14; Compliance Filing

Dear Mr. Poff:

By Order entered January 12, 2023, the Commission authorized The York Water Company – Water Division (the Company) to file the pro forma tariff supplements attached to the Joint Petition for Approval of Settlement of All Issues as Appendices “A” and “B” in the above docketed rate investigation, to produce annual revenues not in excess of \$65,241,877 which is an increase of approximately \$11.6 million over present revenues. On February 16, 2023, the Company filed Supplement No. 151 to Tariff Water - Pa. P.U.C. No. 14 to become effective March 1, 2023.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 151 to Tariff Water - Pa. P.U.C. No. 14 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

Sincerely,

Rosemary Chiavetta
