4. Per-Call Blocking

Per-Call Blocking will prevent the display of a customer's telephone number or number and name on outgoing calls. This feature may be utilized at any time through the activation of a special code prior to dialing an outgoing call. Per-Call Blocking is provided at no charge and is automatically placed on all telephone lines by the Telephone Company. Per-Call Blocking will not prevent the display of a telephone number or number and name to 9-1-1 emergency service providers.

Per-Call Blocking is also available to all pay telephones. Instructions on how to use Per-Call Blocking will be provided at each pay telephone location.

5. Special Provisions

In cases where Telephone Company customers are victims of domestic violence, or are representatives of domestic violence agencies, or are representatives of emergency service agencies, calls placed through a live operator in order to protect the identity of the calling party will be completed without the application of an operator service charge.

Qualifying customers may need to notify the Telephone Company to request this credit if the operator service charge cannot be waived at the time the call is being placed.

Custom Calling Services

Advanced Custom Calling Services

1. General

The Telephone Company offers the following advanced custom calling services to its one-party residential and business customers. Services are offered where facilities permit.

Call Return (\*69)

A service to automatically dial the number of the last incoming call. (C)

Busy Number Redial

A service to redial a busy number for up to 30 minutes or until the call is completed. (C)

Call Trace

By activating a code, the customer supplies the Telephone Company with a number to be supplied to law enforcement authorities for prosecution as a possible source of harassing calls. (C)

Selective Call Forward

A service allowing customers the option of forwarding certain calls to another telephone number. (C)

Priority Call

A service allowing the customer the option of identifying up to six callers by a distinctive incoming ring. (C)

Call Block

A service allowing the customer the ability to block up to six telephone numbers at any one time. (C)

Selective Call Acceptance

A service that allows the customer to program their phone to accept 12 calls from any number they place on the acceptance list. When this service is turned "on", any callers on this list will ring through, all other callers will hear an announcement saying: You are currently not accepting Calls. (C)

Selective Call Rejection

Selective Call Rejection allows a customer to reject call attempts from up to 15 telephone numbers. To use this service, the customer preprograms telephone numbers of calling parties they wish to reject. Any call attempts to the customer's telephone from these specified numbers will be prevented from being completed to that customer. The calling party will get a recording advising the caller that the called party is not receiving calls. The customer can also add an unknown caller to the Selective Call Rejection list by activating the feature immediately after receiving an unwanted call. Selective Call Rejection is activated by dialing \*60 or 1160 from a rotary telephone. After gaining access to the service, the customer can activate or deactivate by dialing an activation/deactivation code as directed by an announcement. (C)

Custom Calling Services

Advanced Custom Calling Services (Continued)

1. General (continued)

The Telephone Company offers the following advanced custom calling services to its one-party residential and business customers. Services are offered where facilities permit.

Multiple Simultaneous Call Forward

This feature provides a business customer with the capability to specify the number of calling paths that will be forwarded from one subscriber line to another telephone number. The feature is offered where facilities permit and at no time will this service take precedent over the requirement for these facilities to provide a customer with telephone service. Multiple Simultaneous Call Forward is restricted to voice use only. The feature is available only as an enhancement to one or more of the following features: Call Forwarding, Call Forwarding Busy and Call Forward No answer. Multiple Simultaneous Call Forward is limited to ten (10) call forwarding paths per telephone number. It can be used with any of the following services: B1, PBX, Centrex and ISDN BRI. (C)

Anonymous Call Block

Customers who do not wish to receive calls from callers that withhold their telephone number and name or other identifying information through per line or per call block can reject anonymous calls. Upon dialing a specific code, Caller ID Plus Name subscribers can automatically reject calls from customers who have chosen to block the passage of their telephone numbers and names on outgoing calls. The caller will receive an announcement that the customer is not accepting calls from callers who are blocking their telephone numbers and names. This feature can be activated by dialing \*77 and can be deactivated by dialing \*87. ACR is included with Caller ID Plus Name only. A call can be completed to a Caller ID Plus Name subscriber who has activated ACR by (1) placing the call through an operator, (2) placing the call with a telephone credit card, or (3) placing the call after unblocking the telephone number and name. 2. Rates and Regulations

Monthly charges shown below are on a per line-equipped basis.

Product/Service Nonrecurring Charges specified in the tariff apply for the activation of services being ordered on a monthly fee basis.

Customer Satisfaction Guarantee - When customers have access to advanced custom calling services on a usage-sensitive basis, the Company will issue a one-time credit to a customer's account for all feature activations covering a period of thirty (30) days following the initial (first time) billing of any usage-sensitive services if the customer is dissatisfied in any way with the usage-sensitive advanced calling services provided by the Company.

In addition, the Company will issue a one-time credit to a customer who reports unauthorized or fraudulent activation of usage-sensitive Advanced Custom Calling Services; in this case, the customer will also be offered the option of blocking activation of the services.

The customer has the right to request that access to usage-sensitive Advanced Custom Calling Services be blocked by the Company. Initial blocking will be provided at no charge. There is no charge for services to be unblocked. Subsequent re-blocking requests will be charged a Subsequent Service Order charge as specified in the Tariff.
