RE: Notice of Utility Valuation Expert Registration Cancellation at Docket A-2019-3014675

Dear Mr. Rothman:

On May 9, 2022, the Pennsylvania Public Utility Commission (Commission) approved William Franklin Rothman's (Applicant's) application to renew the Applicant's registration as a utility valuation expert (UVE). At that time, the Applicant was found to have met the Commission's minimum qualifications to maintain its UVE registration and remain registered on the Commission's Registry of Utility Valuation Experts (Registry). This registration was valid until December 31, 2022. UVEs must renew their registration by January 1 of each year to maintain their UVE registration and remain on the Commission's Registry.

To date, the Commission has no record of the Applicant filing an application to renew its UVE registration. Therefore, please be advised that effective January 1, 2023, the UVE registration for the Applicant was canceled. As such, the Applicant is no longer eligible for inclusion on the Commission's Registry. If the Applicant would like to register as a UVE and be listed on the Commission's Registry in the future, the Applicant is encouraged to file an application to register as a UVE with the Commission.

This staff action will be deemed the final action of the Commission unless an appeal to the Commission is filed in accordance with 52 Pa. Code § 5.44. Questions concerning this letter may be directed to Paul Zander of the Bureau of Technical Utility Services, Water/Wastewater Division, at telephone number (717) 783-1372 or by email at pzander@pa.gov.

Sincerely,

Rosemary Chiavetta
Secretary
