**In Re: Pennsylvania-American Water Company Notice of
Licensed Engineer and Utility Valuation Expert
Engagement Concerning Acquisition of Brentwood
Borough Wastewater Collection System**

Docket No. A-2021-3024058

Dear Secretary Chiavetta:

On February 4, 2021, Pennsylvania-American Water Company ("PAWC") filed a letter with the Pennsylvania Public Utility Commission ("Commission") providing notice of engagement of a Licensed Engineer and Utility Valuation Expert in the above-captioned proceeding concerning the acquisition of the Brentwood Borough wastewater collection system ("Brentwood System"), pursuant to the Commission's Final Implementation Order entered October 27, 2016 and Final Supplementation Implementation Order entered February 28, 2019, at Docket No. M-2016-2543193.

Due to certain circumstances, which have now been resolved, PAWC was delayed in advancing its application to acquire the Brentwood System. As a function of this delay, certain personnel changes have been made requiring PAWC to update its notice, as provided below, to reflect engagement of a new Licensed Engineer and to reflect that Jerome Weinert is now associated with a new consulting firm.

Personnel	Name/Firm Name	Client
Licensed Engineer	Daniel S. Deiseroth, P.E. Gateway Engineers, Inc.	PAWC and Brentwood Borough
Utility Valuation Expert	Jerome C. Weinert, PA, ASA, CDP Weinert Appraisal and Depreciation Services, LLC ("WAD Consultants")	PAWC
Utility Valuation Expert	Harold Walker, III, Manager, Financial Studies Gannett Fleming Valuation and Rate Consultants, LLC	Brentwood Borough

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Elizabeth Rose Triscari
