

Docket No. A-2023-3038790
Cali's Carrier LLC

Request for Information

- 1.) Question #10 of the application asks you to describe the service area proposed by this application. You said, "we plan to transport household goods in use for central Pennsylvania and surrounding areas." The service area needs to have clear and defined borders that can be easily identified on a map. As such, you need to clarify the area that you wish to service, and it needs to meet the aforementioned criteria. Also, you may limit yourself should you choose, but you are also permitted to ask for "between points in Pennsylvania" if you would like. Please respond to this Commission data request with a clarified territory of service.

We plan to transport household goods between points in Pennsylvania.
