**RE: Pennsylvania American Water Company – Wastewater Division
Distribution System Improvement Charge
Effective April 1, 2023
M-2023-3039077**

Dear Ms. Harrold:

The Bureau of Audits has reviewed Pennsylvania American Water Company's proposed Supplement No. 45 to Tariff Wastewater – Pa. P.U.C. No. 16 and the supporting rate computations submitted on March 20, 2023 to become effective on April 1, 2023.

Based upon staff review, it appears that the proposed Distribution System Improvement Charge (DSIC) rate for the three-month period of April 1, 2023 through June 30, 2023 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2023-3039077.

Sincerely,

Rosemary Chiavetta
Secretary
