RE: 6-97-057
Kreiss Business Park
Connoquenessing Twp., Butler County

Dear Ms. Hockenberry:

The Department of Environmental Protection hereby acknowledges receipt of your request for a Sewage Facilities Planning exemption. Based on the information contained in the application, the exemption is granted.

No further sewage planning approvals from the Department are required for this project.

This action of the Department does not relieve the developer from complying with any land use controls administered by municipal or county government

Please contact me if you have any questions on this matter.

Sincerely,

William T. Crawford
