Re: Supplement No. 10 to Tariff Sewer – PA P.U.C. No. 3; Compliance Filing

Dear Mr. Stahl:

By Order entered October 27, 2022, the Commission granted Aqua Pennsylvania Wastewater, Inc. (the Company) special permission to file a tariff supplement in the form attached to the Joint Petition for Approval of Settlement as Appendix C in the above docketed investigation, within 10 days of closing of the transaction. Closing took place on March 3, 2023, and the Company has filed Supplement No. 10 to Tariff Sewer – PA P.U.C. No. 3 to become effective March 31, 2023 in compliance with the Order. The proposed tariff makes changes to reflect the acquisition of the wastewater assets of the North Heidelberg Sewer Company, and establishes the rates of the North Heidelberg Division.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, the supplement is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or maboyle@pa.gov.

Sincerely,

Rosemary Chiavetta
