RE: Petition for Reconsideration for the Dismissal notice due to non-compliance.

1. I am requesting that the Pennsylvania Public Utility Commission reconsider its determination to dismiss my application upon the following grounds:
 - a. Failure to file a tariff establishing the rates was an omission on our part and not a non-compliance. When the approval letter was received on January 30, 2023, to file with commission all the information listed in paragraph (a-b). Paragraph a, which is the filling of FORM E was done immediately but paragraph b, tariff filing was omitted due to an oversight.
 - b. The tariff has now been submitted to the tariff department.
