

To whom it may concern,

Clear Energy Solutions, LLC with docket number A-2018-3006747 would like to have their address changed with the PA PUC.

The old address was 34192 Spring Brook Avenue, Lewes, DE. 19958 and the new address is 166 Paddlers Point #108, Matamoras, PA 18336.

I just received our renewal license letter and it still shows the Spring Brook Avenue address.

Thanks,

Eric
