Re: Proposed Language Changes to PECO Energy Company's Electric Service Tariff

Dear Mr. Webster:

On April 21, 2023, PECO Energy Company (the Company) filed Supplement No. 26 to Tariff Electric Pa. P.U.C. No. 7, proposing to include language that was inadvertently omitted from the rate SL-C Smart Lighting Control Customer Owned Facilities tariff page (Page No. 67) in the compliance filing to Docket No. R-2018-3000164.

The Company requests a waiver of 52 Pa. Code § 53.31, which requires a sixty-day public notice of tariff changes, and requests that the proposed tariff supplement become effective on April 24, 2023. The Company makes this request because application of the proposed language has already been approved by the Commission, and the proposed filing makes no changes to Commission approved rates, terms, or conditions. The proposed language changes to Page No. 65 are ministerial and simply correct an oversight.

Commission Staff has reviewed the proposed tariff revisions and waiver request and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 26 to Tariff Electric Pa. P.U.C. No. 7 is effective April 24, 2023 by operation of law. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

Sincerely,

  
Rosemary Chiavetta
