**RE: Application of Comcast Cable Communications Management, LLC, for Approval of the Installation of New Overhead Communications Facilities at a Highway and Railroad Crossing of Western New York & Pennsylvania Railroad, LLC, and Relief Street located in Oil City, Venango County, Pennsylvania; Docket No. \_\_\_\_\_**

Dear Secretary Chiavetta:

Enclosed please find the Application of Comcast Communications Management, LLC, for the approval of the installation of new .625 coaxial cable lashed to a .25" strand crossing over and across property owned by Western New York & Pennsylvania Railroad, LLC, and Relief Street in Oil City, Venango County. Copies of the Application have been served in accordance with the attached Certificate of Service.

Very truly yours,

*Tabatha Smith*

**BEFORE  
THE PENNSYLVANIA PUBLIC UTILITIES COMMISSION**

**RE: Application of Comcast Cable Communications Management, LLC, for Approval of the Installation of New Overhead Communications Facilities at a Highway and Railroad Crossing of Western New York & Pennsylvania Railroad, LLC, and Relief Street located in Oil City, Venango County, Pennsylvania** : Docket No. \_\_\_\_\_  
: Comcast No. JB0001059212  
:  
:  
:  
:  
:

To the Pennsylvania Public Utility Commission:

Comcast Cable Communications Management, LLC (“Comcast Cable” or “Applicant”), requests that the Pennsylvania Public Utility Commission (“Commission”) approve Comcast Cable’s Application for a rail crossing pursuant to Section 2702(a) of the Pennsylvania Public Utility Code, 66 Pa.C.S. § 2702(a). In support thereof, Comcast Cable submits as follows:

1. The name and address of Applicant:

Comcast Cable Communications Management, LLC  
1701 John F Kennedy Boulevard  
Philadelphia, PA 19103

2. The name and address of Applicant’s attorney:

Comcast Cable Communications Management, LLC  
1701 John F Kennedy Boulevard  
Philadelphia, PA 19103  
ATTN: General Counsel  
Legal\_Notices@comcast.com

3. Comcast Cable is a video, internet, and phone service provider in the Commonwealth of Pennsylvania. As such, Comcast Cable has the right to install and maintain its facilities at railroad crossings to provide reliable service to its customers in the Commonwealth of Pennsylvania.

4. The proposed installation will be a new .625 coaxial cable lashed to a .25” support strand at an at-grade rail crossing located on Relief Street, Oil City, Venango County, at the road’s crossing of the railroad facilities of Western New York & Pennsylvania Railroad, LLC (“WNYP”) located between existing wooden utility pole No. 12629 and existing wooden utility pole No. 12631 as shown in Exhibit A. Railroad facilities will not be disturbed during construction of Comcast Cable’s coaxial cable and support strand. Construction of this facility is anticipated to begin as soon as approval is obtained. Construction will take approximately one (1) day to complete.

5. The cost of the construction of the coaxial cable and support strand is approximately one thousand dollars (\$1000.00). Comcast Cable will bear the cost of this construction. Comcast Cable will be responsible for installing, maintaining, and inspecting the facilities.

6. The parties that may be affected by the proposed facilities are as follows: the Pennsylvania Department of Transportation, Venango County, Oil City, WNYP, ReLTEK LLC, Penelec a FirstEnergy Company, and Verizon Pennsylvania Inc. The Applicant has served a copy of this Application upon the parties referenced, as shown on the attached Certificate of Service.

7. The installation of the new facility will be used to boost and extend Comcast Cable's service in the immediate and surrounding area. The proposed midspan clearance height of 32' 8" over and across WNYP property and Relief Street leaves ample space for train, traffic, and pedestrian operation.

WHEREFORE, Comcast Cable Communications Management, LLC, requests that the Pennsylvania Public Utility Commission approve the rail crossing described herein on or before June 3, 2023.

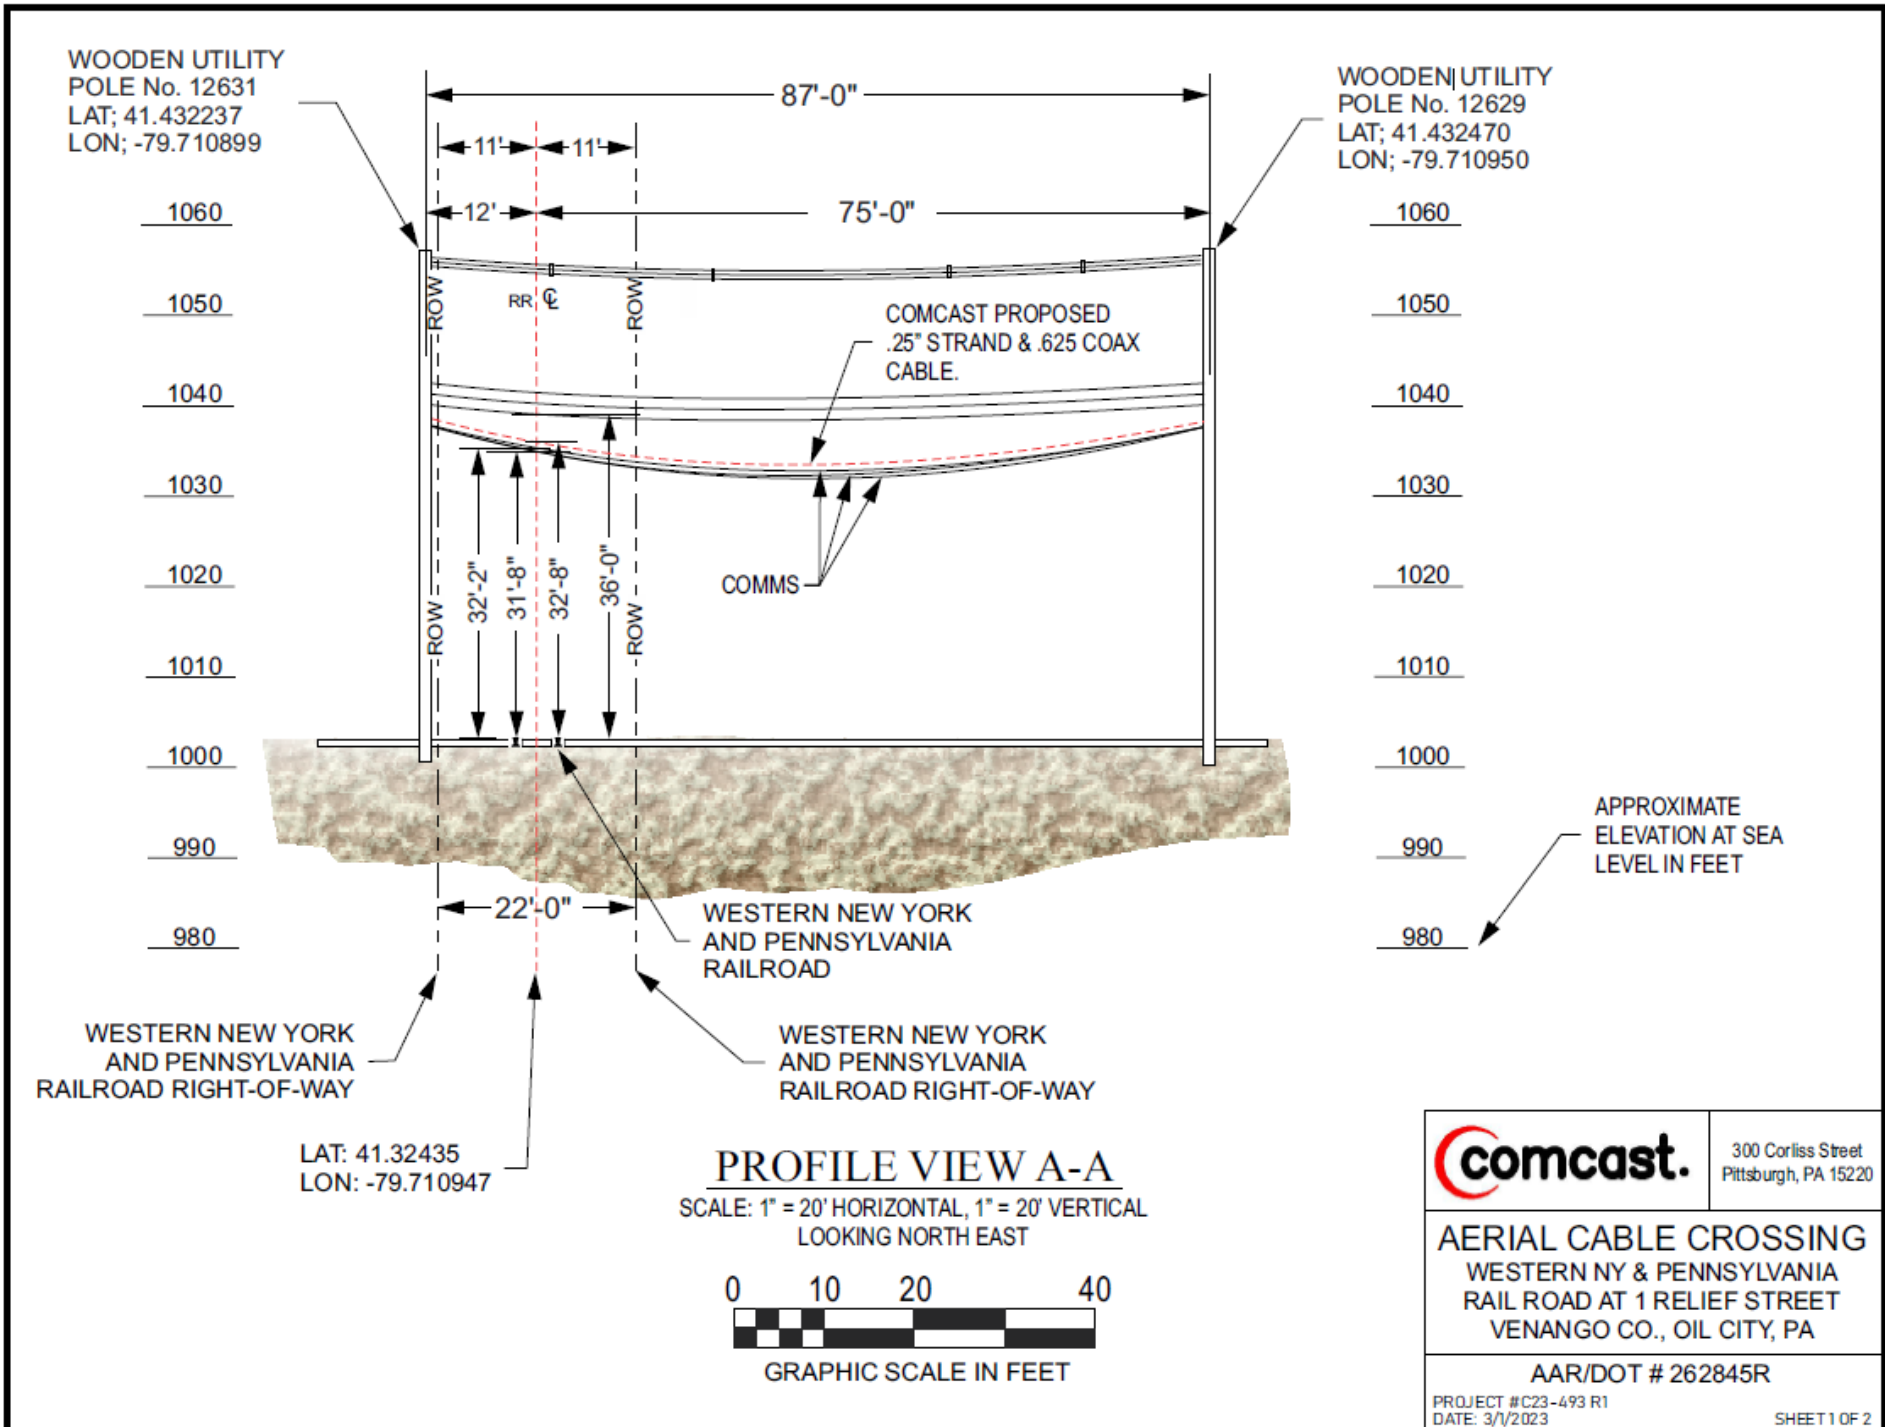

Respectfully submitted,

Dated: May 3, 2023
