To Whom It May Concern:

I am writing in response to an e-mail I received, 4/28/2023, regarding the decision Of the the Administrative Judge, to dismiss my case, against PPL.

I am a 70 year old disabled retired Philadelphia Police Officer, and a dismissed Security Guard from the Reading Hospital(due to an injury.) I receive a small monthly pension which goes straight to my Mortgage. As a Police Officer we were not taxed for Social Security, including teachers. Any Social Security I collected from outside jobs is taxed for the rest of my life. I only received half of my Social Security. This is not a viable way to live, as a 70 year old, with a severe spinal stenosis, and a brain tumor that has left me totally deaf on the right side. I never received Un- employment.

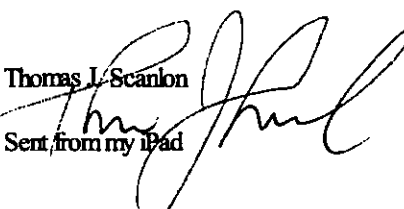

I have contacted PPL several times they want \$500.00 a month. I can not afford it.

I ask reconsideration of this decision in this matter. Thank you.

Sincerely,

Thomas J. Scanlon
