Re: **PPL Electric Utilities Corporation**  
**Retail Electricity Choice Sales Activity Report**  
**for the Quarter Ended March 31, 2023**  
**Docket No. ~~M-2022-3030283~~**

Dear Ms. Chiavetta:

Enclosed for filing on behalf of PPL Electric Utilities Corporation ("PPL Electric") is an original of PPL Electric's Retail Electricity Choice Sales Activity Report for the Quarter Ended March 31, 2022. Included in this filing is a copy of Form 3a of the report which is marked as "**CONFIDENTIAL**." This report is being filed pursuant to the Commission's regulations at 52 Pa. Code § 54.201, et seq.

In December 2022, the Company experienced a technical issue that resulted in a significant number of bills being sent based on estimated electricity usage. This issue prevented the billing system from accessing meter information from the Meter Data Management System ("MDMS"). The Retail Electricity Choice Sales Activity Report relies on the MDMS data being transferred to the billing system software in order to generate.

Given the technical issue experienced by PPL Electric, the Company has been unable to produce an accurate Retail Electricity Sales Activity Report for the first quarter of 2023. The 1<sup>st</sup> quarter report is based on the data the Company currently has; however, given the No-Bill volume due to the ongoing issues, the report may understate the number of shopping customers.

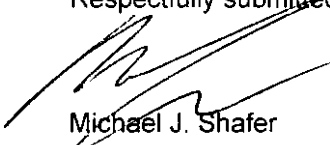

PPL Electric is submitting this filing via overnight delivery pursuant to the instructions in the Secretarial Letter issued on July 27, 2020 *re Modification to Filing and Service Requirements, Emergency Order at Docket Number M-2020-3019262*.

Pursuant to 52 Pa. Code § 1.11, the enclosed document is to be deemed filed on May 3, 2023, which is the date it was deposited with an overnight express delivery service. In addition, please date stamp the enclosed extra copy of this letter and return it to me in the envelope provided.

If you have any questions regarding the enclosed report, please call me or Diana Yunez,

PPL Electric's Manager-Billing Operations, at (484) 634-3009.

Respectfully submitted,

Michael J. Shafer
