**RE: Duquesne Light Company
Default Service Supply Plan IX Compliance Filing
Effective June 1, 2023
M-2023-3039448**

Dear Ms. Farah:

The Bureau of Audits has reviewed Duquesne Light Company's proposed Supplement No. 59 to Tariff Electric-Pa. P.U.C. No. 25 and the supporting rate computations submitted on March 31, 2023 to become effective on June 1, 2023.

Based upon staff review, it appears that the proposed Default Service Supply (DSS) rates for the Residential & Lighting and Small Commercial & Industrial classes for the six-month period of June 1, 2023 through November 30, 2023; and for the Medium Commercial & Industrial classes for the three-month period of June 1, 2023 through August 31, 2023 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

Based upon staff review, it appears that the proposed Electric Vehicle Time-Of-Use (EV-TOU) supply rates for the Residential and Small Commercial & Industrial classes for the six-month period of June 1, 2023 through November 30, 2023; and for the Medium Commercial & Industrial classes for the three-month period of June 1, 2023 through August 31, 2023 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The DSS is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2023-3039448.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first name being the most prominent.

Rosemary Chiavetta
