PHILADELPHIA PA 19103**

**RE: Energy Efficiency and Conservation Program Charge – Phase IV
Effective June 1, 2023
M-2023-3040272**

Dear Mr. Webster:

The Bureau of Audits has reviewed PECO Energy Company's proposed Supplement No. 27 to Tariff Electric – Pa. P.U.C. No. 7 and the supporting rate computations submitted on April 28, 2023, to become effective on June 1, 2023.

Based upon staff review, it appears that the Energy Efficiency and Conservation Program Charge – Phase IV (EEPC) rates for the twelve-month period of June 1, 2023 through May 31, 2024 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The EEPC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2023-3040272.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first name being more prominent.

Rosemary Chiavetta
Secretary
