Re: Electric Generation Supplier License Amendment of Asset Energy LLC

Dear Ms. Cieminski:

On April 18, 2023, Asset Energy LLC (Asset Energy) filed a request with the Commission to add residential and small commercial (demand under 25 kW) customers, as well as residential and small commercial (limited to mixed meters) customers, pursuant to the Commission's Secretarial Letter dated March 25, 2011 at Docket No. M-2009-2082042, to its existing license to provide electric generation services as a broker/marketer. In the filing, Asset Energy also requested to add the Citizens Electric of Lewisburg, Metropolitan Edison Company, PECO Energy Company, Pennsylvania Electric Company, Pennsylvania Power Company, Pike County Light and Power Company, PPL Electric Utilities Corporation, UGI Utilities, Inc., Wellsboro Electric Company, and West Penn Power Company service territories to its existing license.

Currently, Asset Energy is licensed as a broker/marketer to provide electric generation services to large commercial (over 25 kW), industrial, and governmental customers in the electric distribution company service territory of Duquesne Light Company in the Commonwealth of Pennsylvania.

Asset Energy has provided proof of service to the interested parties and proof of publication in appropriate newspapers as required by the Commission. No protests were filed.

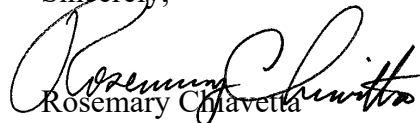

Therefore, the Commission approves, by this Secretarial Letter, the proposed amendment which adds residential and small commercial (demand under 25 kW) customers, as well as residential and small commercial (limited to mixed meters) customers, pursuant to the Commission's Secretarial Letter dated March 25, 2011 at Docket No. M-2009-2082042, along with the Citizens Electric of Lewisburg, Metropolitan Edison Company, PECO Energy Company, Pennsylvania Electric Company, Pennsylvania Power Company, Pike County Light and Power Company, PPL Electric Utilities Corporation, UGI Utilities, Inc., Wellsboro Electric Company, and West Penn Power Company service territories to its current license.

**The Secretary's Bureau will issue a new license to Asset Energy LLC giving them the right to begin to offer, render, furnish, or supply electric generation services as a**
