Re: Petition to Intervene in merger between PA American Water and Butler Area Sewer Authority

Dear Madam or Mr. Secretary:

I am requesting that you do not allow the proposed merger between PA American Water and Butler Area Sewer Authority. The anticipated outcome as disclosed by their notice would result in an increase to sewage and water rates for others not currently affected. This is a terrible outcome and poor precedent for other bad mergers. There is not even an explanation why the increased rates resulting from the merger should be considered despite the increase.

Please do not approve the proposed merger.

Respectfully submitted,
