PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

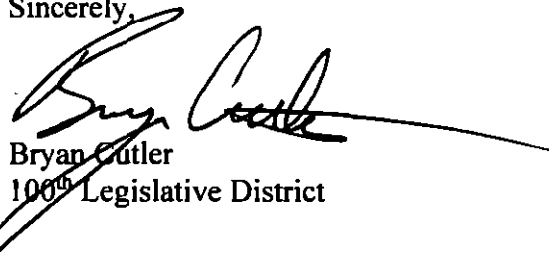

Secretary Chiavetta:

As the elected Representatives to the Pennsylvania Legislature for residents of the 13th and 100th House Districts, we are formally requesting the Public Utility Commission (PUC) convene a hearing relating to the Commissions' investigation of Commonwealth Telephone Company (Docket Number: C-2023-3037574), in southern Lancaster County.

Commonwealth Telephone Company and its subsidiary entity of Frontier Communications are the Telephone and Internet base utility provider for most of southern Lancaster and portions of southern Chester Counties. Frontier has been the subject of numerous complaints from our residents for years. Our residents have shared with us reports of inoperable landline telephone or internet service that would persist for months, continued billing from Frontier even with non-existent service, habitually delayed repair dates that has lasted for months, etc. Due to these many concerns, we would like to add an additional hearing here for our residents to relay their experiences to the PUC.

Thank you for your time and consideration of this proposal.

Sincerely,

Bryan Cutler
