**RE: Smart Meter Charge
Effective July 1, 2023
M-2023-3041375**

Dear Ms. Farah:

The Bureau of Audits has reviewed Duquesne Light Company's proposed rates and the supporting rate computations submitted on June 20, 2023 to become effective on July 1, 2023. The supporting rate computations indicate that the rates will remain unchanged; therefore, the company did not file a tariff supplement.

Based upon staff review, it appears that the proposed Smart Meter Charge (SMC) rates for the three-month period of July 1, 2023 through September 30, 2023 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The SMC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2023-3041375.

Sincerely,
