Re: IN THE MATTER OF THE APPLICATION OF THE YORK WATER COMPANY, Under Sections 1102(a)(1)-(3) of the Public Utility Code, for (1) approval of the right to transfer certain public wastewater facilities and rights from the Estate of Jane M. Alexander acting through its executors Lorinda Krause and Marstin Alexander and MESCO, Inc. to The York Water Company; (2) the abandonment by MESCO, Inc. of wastewater service to the public in its service territory in Monaghan Township, York County; and (3) approval for The York Water Company to begin to offer, render, furnish or supply wastewater service to the public in a portion of Monaghan Township, York County, Pennsylvania Docket No. A-2023-3041009

Dear Secretary Chiavetta:

On May 30, 2023, The York Water Company (“York Water”) and MESCO, Inc. (“MESCO”) filed the above-captioned Joint Application. York Water respectfully submits this letter to provide a couple clarifications about the Joint Application.

First, on page 8 of the Joint Application, it states that “[t]here have been no contributions toward the construction of the Sellers’ wastewater system” Before filing the Joint Application, York Water was unaware that there was a contribution in aid of construction (“CIAC”) remaining for this system. However, since that time, York Water has found that there will be a CIAC amount of \$22,650 remaining at the end of 2023. Upon closing, York Water will depreciate/amortize the remaining CIAC per the agreed upon schedule from MESCO’s 2005 base rate case.

Second, York Water confirms that it will take over responsibility for complying with the terms and conditions of MESCO's Consent Order and Agreement after closing.

Respectfully submitted,
