**Re: PECO Energy Company's 2019-2028 Universal Service and Energy
Conservation Plan
Docket Nos. M-2018-3005795**

Dear Secretary Chiavetta:

In accordance with the Commission's June 16, 2022 Order issued in the above-captioned docket (the "Order"), PECO Energy Company (PECO or the Company) hereby submits data regarding in program arrears payment arrangements for CAP customers, which are available under the following circumstances:

- Upon CAP reenrollment if off of CAP for more than 12 months;
- Upon receipt of a LIHEAP Crisis Grant;
- For accounts identified as PFA (Protection from Abuse);
- As part of a budget billing settlement¹; or
- As part of a reduced restoration agreement (but only if one or fewer broken payment arrangements).²

As noted in the Order, PECO's Customer Information and Management System (CIMS) does not track the specific reasons for establishing a payment arrangement; however, the Company will continue to work to identify opportunities to enhance tracking and analysis of this data. To identify data regarding CAP customer payment arrangements, the Company performed an analysis of CIMS customer account activity that occurred within approximately 30 days of establishment of a payment arrangement. Based on this analysis, PECO inferred the following:

¹ PECO notes that as per the terms of its CAP Percentage of Income Payment Program (PIPP), CAP customers are no longer eligible to participate in budget billing.

² See June 16 Order at 48-55
