JOINT REPORT OF THE PARTIES

AND NOW come the parties to the above captioned action, and, in response to the Commission’s Interim Order Holding Motions for Summary Judgment in Abeyance Pending the Filing of Status Reports (the “Interim Order”), submit the following joint report of the parties.

On June 27, 2023, counsel for the parties participated in a conference to discuss the matters subject to the Interim Order. The parties agree that there is potential for joint stipulation of a substantial body of facts, which would limit or eliminate the need for an evidentiary hearing in this matter. The parties discussed a process where the parties would attempt to reach a joint stipulation of facts. Where stipulation is not possible, the parties are prepared to assert contested statements of facts, with supporting record citations, for the Commission to make factual findings in the absence of an evidentiary hearing. The parties hereby request that the Commission grant the parties 45 days (through August 14, 2023) to submit to the Court joint stipulations of fact and contested stipulations of fact as set forth herein.
