Re: Conneaut Lake Park Water Corporation
Petition/Request for Extension of Time to Submit a General Rate Filing

Dear Secretary Chiavetta:

We are counsel to Conneaut Lake Park Water Corporation, Inc. (“CLP”). Please accept this letter as CLP's petition/request for an extension of time for the filing of a general rate increase based on an operating income statement and other data for the historic twelve months ended December 31, 2022 and the future twelve months ending December 31, 2023. With an historic test year ended December 31, 2022, CLP would be required by 52 Pa. Code Section 53.52(b), the “180 Day Rule” for municipal corporations, to make its general rate filing by June 26, 2022. *Through this petition/request, CLP seeks an extension of time to enable it to submit the filing on or before August 31, 2023.*

Extending the time for submitting the rate filing would be helpful to enable CLP to finalize the required financial and other information for its rate submission. This is the first rate filing change sought by CLP.

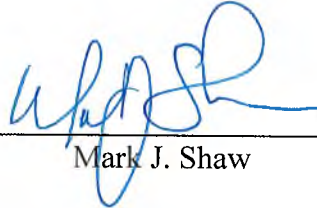

Please contact me if anything further is required concerning this matter.
