Dear Mr. Spaeth:

On May 15, 2023, Chautauqua Energy Management, Inc. (Chautauqua Energy Management) filed a request with the Commission to add residential and small commercial (limited to mixed meters) customers, pursuant to the Commission's Secretarial Letter dated March 25, 2011 at Docket No. M-2009-2082042, and the Citizens Electric of Lewisburg, Duquesne Light Company, Metropolitan Edison Company, PECO Energy Company, Pike County Light and Power Company, PPL Electric Utilities Corporation, UGI Utilities, Inc., and Wellsboro Electric Company service territories to its existing license to provide electric generation services as a broker/marketer.

Currently, Chautauqua Energy Management is licensed as a broker/marketer to provide electric generation services to small commercial (demand under 25 kW), large commercial (over 25 kW), and industrial customers in the electric distribution company service territories of Pennsylvania Electric Company, Pennsylvania Power Company, and West Penn Power Company in the Commonwealth of Pennsylvania.

Chautauqua Energy Management has provided proof of service to the interested parties and proof of publication in appropriate newspapers as required by the Commission. No protests were filed.

Therefore, the Commission approves, by this Secretarial Letter, the proposed amendment which adds residential and small commercial (limited to mixed meters) customers, pursuant to the Commission's Secretarial Letter dated March 25, 2011 at Docket No. M-2009-2082042, and the Citizens Electric of Lewisburg, Duquesne Light Company, Metropolitan Edison Company, PECO Energy Company, Pike County Light and Power Company, PPL Electric Utilities Corporation, UGI Utilities, Inc., and Wellsboro Electric Company service territories to its current license.

The Secretary's Bureau will issue a new license to Chautauqua Energy Management, Inc. giving them the right to begin to offer, render, furnish, or supply electric

generation services as a broker/marketer to small commercial (demand under 25 kW), large commercial (over 25 kW), and industrial customers, as well as residential and small commercial (limited to mixed meters) customers, pursuant to the Commission's Secretarial Letter dated March 25, 2011 at Docket No. M-2009-2082042, in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.
