Let me correct that I did call Dominion to find out why Verde was my Supplier on Sept.9 2019. As you are clearly aware Dominion cancelled My account and some how Verde was listed as my supplier. This informs All concerned why Mr Stewart mentions my account was switched to Another supplier. He also states that the rate I chose was for one year. Please direct your attention to the document that clearly of April 1 2019 Shows my time of choice was for two years. Also note given lower rate on phone call. Also note I asked for the lowest rate and he agreed. This was in line With my budget needs.

While we are on this topic may I point out that dominion sent me this form to sign and return even though they had a voice recording of my accepting them As my supplier. I therefore question Mr. Stewart's contention that I was not Solicited by phone or sent a form to sign that IGS was my supplier. As documented by my first letter sent to you and Mr Stewart Peco's notice from IGS was July 12 2022. If I were not solicited by phone or sent a form to sign and return on what basis can they claim to be my supplier. On a phone call to To Mr. Stewart to complain about his statement that my "claim has no merit" He replied this is normal procedure. May I remind you of DES action of recording my acceptance of their service followed by a signed document. No such evidence is provided by Mr Stewart why. I contend I was solicited By IGS internal marketing and they recorded me two times as mentioned in Original filing with you. I strongly suggest that the only reason to inform PECO That they are my supplier is to insure that they would be paid by PECO.

Finally as I have previously stated I will swear under oath that I was solicited by IGS immediately prior to their notice to PECO. I think it only fair to have a Member of their internal marketing (preferably the one who solicited me) To also swear under oath that this solicitation did not occur. Please finally note

Mr Stewart's attachment F which shows IGS becomes my supplier as of August 2022. This also suggests the need for me to be solicited so they can notify PECO that they will be my gas supplier as of Aug. 2022. Please remember PECO was informed of this change on July 12 2022.

Respectfully submitted;

Stuart Licht DDS.
